

STUDIO 100 INTERNATIONAL UNVEILS ITS NEW MIPCOM KIDS SLATE

Munich, 7 October 2024. Studio 100 International, a leader in children's and family entertainment, is set to arrive at MIPCOM, booth R7.K17, with an exciting line-up of animated and live action series.

Studio 100 International's MIPCOM slate kicks off with the 2D/CGI-animation mix comedy adventure series "DINO MATES" (26 x 11'). Inspired by the theme park family attraction "Madame Freudenreich Curiosités" at Europa-Park, Germany's largest theme park, and the associated successful picture book series, "DINO MATES" is a mystical comedy-adventure series celebrating friendship, courage, and teamwork. Produced by MACK Magic (Germany), KiKA (Germany), Edel Kids (Germany), and B-Water Animation Studios (Spain), the series is targeted at 6- to 10-year-olds.

Ten-year-old Sophie eagerly anticipates a summer of adventure with her daring Grandma Clara, while her brother Leo, 13, remains skeptical. Clara, a retired biologist, takes them on thrilling escapades to famous sites around her hometown with her sidecar motorcycle. Their summer takes a wild turn when they find dinosaur eggs in the legendary "Dragon Hole" cave. Clara recognizes the pulsing life within, leading to a mission to protect the eggs. Once hatched, these dinosaurs display incredible talents—rapid learning or speaking abilities. As Sophie and Leo bond with their new dino friends, they must protect them from those who would exploit them, turning each day into a game of hide-and-seek.

Studio 100 International's other notable series making their debut include the live action, sci-fi adventure series "Waiko" (10 x 25') and the comedy animated series' "BFF" (26 x 11'), "Momonsters" (78 x 7') and a new season 3 of "Vegesaurs" (60 x 5').

Waiko

"Waiko" is a thrilling, humorous sci-fi adventure series, set at a funfair where teenage alien Nova, robot Ion, and their human friends Bibi and Otto help extraterrestrials solve their problems and return home safely. Packed with adventure and imagination, "Waiko" celebrates

curiosity, friendship, and bravery, encouraging viewers to embrace differences and be true to themselves. Targeted at tweens, the series is produced by Studio 100 NV, Belgium, and VRT Ketnet, who will also broadcast the series.

BFF

Produced by Art Shot (Lithuania) and Artichoke (Slovakia), the 2D animation targeted at 5- to 8-year-olds “BFF” is set in a world of anthropomorphic animals. “BFF” follows the adventures of three kids Ben the clumsy bear, Frida the enthusiastic squirrel and Freddie the cool cat. Despite their social and family differences the trio love spending time with each other. The series depicts the challenges of everyday life and the importance of empathy and belonging.

Momonsters

The Momonsters Haha, Hehe, Hihi, Hoho and Huhu want to be children’s best friends, but... where can they learn how? At the Momonsters Academy! Where every day a different little boy or girl will show them their favorite thing in the whole world: playing hide and seek, decorating muffins, playing soccer, dancing with a hula hoop, reading a comic book... The CGI with live action is produced by Big Bang Box, Spain and performs successfully on Spanish Clan RTVE. It ranks on the top 2 spot among the best preschool series of the channel and it’s the most-viewed content on the broadcasters YouTube channel. Panini or Bandai are just two of several licensees of a thriving licensing program in Spain.

Vegesaur

Season 3 of this unique and successful series introduces another variety of new characters and exciting adventures of young Tricarrotops Ginger and her Pea-Rex friends to the show. Vegesaur Valley is home to so many juicy and crunchy creatures and the new episodes will feature such characters as the mischievous Dragonfruitflyus, the Tomatodons that are roaming the valley, the gentle and gigantic Asparagusaurus, or the majestic Pumpkinsaurus. The CGI series is produced by Cheeky Little Media in association with the Australian Broadcasting Company (ABC), France TV and Studio 100 and has already been sold to more than 70 territories.
